Important information

Please take time to read through this booklet. It is not a policy document, it is a summary outlining the cover and services included in the scheme. Full details of cover, including the limitations, exclusions, and the terms and conditions can be found in the policy wordings which are available from the Federation and should be read carefully.

We offer a non-advised product which means we can't give you a personal recommendation in respect of this scheme but can outline the features and benefits so you can decide whether the cover suits your needs. This scheme meets the demands and needs of those who wish to provide protection for the circumstances outlined in this booklet at the levels described in the schedules.

Joining the scheme

- New recruits** may join the scheme providing they are actively at work on the date they wish to join and do so within six months of commencement of employment.
- Serving officers** may join the scheme at any time providing they are actively at work in their normal occupation and number of contracted hours, have not been medically advised against working, and have not been absent from work due to ill health or injury in the 8 weeks preceding their application.
- Partners** may join the scheme at the same time as a new employee or within three months of either marrying or qualifying as a serving officer's partner*. Partners who wish to join at any other time may do so provided they are able to satisfy the Health Declaration detailed in the applicable partner application form. **Partner cover will cease immediately an officer leaves the scheme or when the officer or the partner attain age 70, whichever happens first.**
- Special constables** may join the scheme providing they have been actively on duty for 8 consecutive shifts preceding the application to join, have not been medically advised against working, and have not been absent from their usual occupation due to ill health or injury in the same period.

**Definition of partner - a partner is defined as your legal spouse or civil partner. If you are not married or you do not have a civil partner, a person who is co-habiting with you and has done so for at least six months prior to joining the scheme and is financially dependant or interdependent with you.*

Payment of premiums

Premiums are collected monthly by salary/pension deduction for serving and retired officers, and by direct debit for special constables, unless alternative arrangements have been agreed. Monthly subscription payments must be maintained in order to remain a member of the scheme and to qualify for benefits.

Career breaks, maternity leave, paternity leave secondment or living overseas

Prior to any of the above applying you will need to contact the Federation to discuss whether cover can continue and to arrange premium payment throughout the applicable period.

Transfer, resignation or dismissal

Serving officers who transfer to another force, resign or are dismissed from the police service are not eligible to remain in the scheme and all cover, including partner membership, will cease.

Retirement from the Police Service

Serving officers upon retirement from the police service may remain in the scheme as a retired member, with benefits applicable to their age. Transfer into the retired officer scheme must be agreed with the Federation prior to retirement as individuals are not eligible to join the scheme after their retirement date.

How to cancel your cover

In the event that you need to cancel your cover, please notify the Devon & Cornwall Police Federation via email: fedoffice@devon.polfed.org

How to make a claim

Unless otherwise specified in this booklet please contact the Devon & Cornwall Police Federation on: 01392 354770 to obtain relevant forms and or claims contacts. Claims should be reported as soon as practicable and, if possible, within 30 days of the incident/diagnosis. The onus is on the member to notify a claim, it is not the responsibility of the Federation to make a member aware of their entitlement to claim.

Scheme benefits

This section gives a brief explanation of the benefits included in the scheme. Full details of cover, terms and conditions can be found in the policy wordings which are available from the Devon & Cornwall Police Federation, and take precedence.

Life assurance

Life assurance benefit is payable on the death, by any cause, of the member or their subscribing partner **up to the age of 70 years. Partner benefit levels depend on the age of the subscribing officer.** The payment is made to the 'Trustees of the Devon & Cornwall Police Federation' and the money is then dispersed by the Trustees under the terms of the "Trust Deed" which would normally be the member's chosen beneficiary. This means that the benefit does not form part of the member's estate and is not, under current legislation, subject to inheritance tax. It is therefore important to keep the beneficiary details up to date.

Terminal illness benefit

If a member under the age of 68 (63 and under if retired) is diagnosed as having an illness or injury from which he or she is expected to die within 12 months, they may apply for an advance of 20% of the life assurance benefit. The amount advanced will be deducted from the settlement on death.
