TEETOPIN / GOLF AND SPA BREAKS

These DISCOUNTED golf and spa breaks have been especially created for POLICE members. They are not available on-line to buy and cannot be bought directly from the hotel. The offers which you can see if you follow the link and log in details below, offer a variety of Golf and Spa Hotels around the UK with midweek and weekend breaks and also offer free places for groups of 16. Members will also be able to get access to discounted personalised golf goods. Additional golf hotels will be added on an on-going basis. Most of the hotels featured have Spa facilities and we plan to offer discounted Spa breaks in the Spring.

Should a member wish to organise a charity or bespoke golf day Teetopin will liaise with them personally to discuss their requirements such as location, budget etc. and can, if desired, provide a celebrity to attend the event.

Please follow the link/log in below to view the current golf break offers – which are up-dated regularly with more hotels coming on-board each week.
