

## GP Care on Demand

Providing subscribing members and their resident families with 24/7 unlimited access to a practising GP via phone or app, from the comfort of their own home.

“

I had an excellent experience with GP Care on Demand. While away from home, I needed urgent antibiotics and couldn't access my GP. Within 12 minutes of registering, a GP called, diagnosed my condition and sent a code for medication. By 12:30, I had started treatment. The service was fast, professional and compassionate – highly recommended!”
