

# Steps to build an **Emergency Fund**

## **Step 1**

Open a **Regular Saver** account with Serve and Protect Credit Union for free.

## **Step 2**

**Set a goal** - aim to save at least three to six months of expenses.

## **Step 3**

**Start small** but be consistent - even £50 per month adds up over time!

## **Step 4**

**Keep it separate** from your other accounts - make sure it's readily accessible.

# Your emergency fund should cover at least three months of expenses.

If your average monthly expenses are £2,000, then you'll want to regularly save until you have at least £6,000 in your emergency fund.

**Build Your Emergency Fund With Deductions Straight From Your Pay**
