Dear Colleague

## You Could Be Owed a Tax Refund

As a Police Officer, it's very likely you have paid too much tax because HMRC has given you the wrong tax code.

As a member of North Yorkshire Police Federation, you are eligible to have your tax code checked by professional employment tax experts at The Tax Refund Company.

Over 2,200 Officers in Region 2 have already taken advantage of the service. More than 81 out of every 100 Officers have subsequently discovered they had been given the wrong tax codes, receiving back an average of £179.60 each. Many Officers have also seen an increase in their net pay following their review.

If you wish to utilise the service, the main points to note are...

- For every £1 paid back by HMRC, you keep 62p (minimum fee £38\*)
- Your expert review is free if you do not get a tax refund
- You will keep any tax you get back for a current year and any extra money you receive in your pay every month following a tax review
- Peace of mind guaranteed – in the rare event you get an unexpected tax bill as a direct result of using this service, it will be paid for you\*\*

**You should not assume HMRC will send you a refund if you have overpaid tax. It is up to you to check if you have paid too much tax and claim it back if you have or get an expert to do this for you.**

**This is your hard-earned money. Why let The Revenue keep it?**

\*You only pay a fee if you get a refund. If your refund is less than £38, the minimum fee will be reduced to the same value as your refund, so you have nothing more to pay
