5 Ways to Save for a **Vacation**

1

Set a Vacation Budget

Estimate costs for flights, lodging, food, activities, and souvenirs to know how much to save.

2

Cut Expenses

Estimate costs for flights, lodging, food, activities, and souvenirs to know how much to save.

3

Open a Savings Account

Use a separate account for your vacation fund and set up automatic transfers on your payday.

4

Travel Off-Peak

Pick less busy times to travel for lower prices and better deals.

5

Sell Unused Items

Make extra money by selling things you no longer need on online marketplaces.

Save for your next vacation straight from your pay

Set up an **automatic transfer** from your pay to your savings account and watch your savings grow effortlessly.
